1. Approval of Minutes

26 June Meeting

(USIB -M-276, including Annex
distributed through special
channels)

a. Approved as circulated.

b. Regarding item 6 (NIE 4-63, "Likelihood and Consequences of a Proliferation of Nuclear Weapons Systems"), the AEC member noted that USIB had not dealt with the problem of release to the Joint Committee on Atomic Energy. Upon the recommendation of the Chairman, the Board approved release to the Joint Committee.

2. Joint Staff Representation on
the United States Intelligence
Board

The DCI read a memorandum from the Chairman, Joint Chiefs of Staff, which disestablished the Intelligence Directorate, The Joint Staff, and transferred present J-2 functions, including representation on USIB and its committees, to the Director, Defense Intelligence Agency, effective 1 July 1963.

3. Request for SNIE on
Haiti

The Chairman referred to a memorandum from DIA which, on behalf of the Joint Staff, requested USIB to develop, as a matter of priority, a SNIE on the situation and prospects in Haiti. The Chairman noted that the writing of a SNIE on Haiti at this time posed a real problem to the Board of National Estimates. As an alternative, Mr. McCone proposed that the CIA Office of Current Intelligence prepare and circulate to USIB a memorandum on the subject which, if it was deemed necessary at a later date, could be used as an input to a subsequent SNIE to be approved by USIB. General Carroll stated that he was re-checking whether a SNIE was still desired and that the writing of such a paper by OCI would be a satisfactory interim step.
